

DROP IN SESSIONS

New member of staff? Non-member?

Come to one of our drop in sessions and find out about Union membership and the work reps are doing at the University.

Tuesday 12th November 9-2pm—Nuffield G20

Wednesday 13th November 9-2pm—Watson 310

UNISON are fighting for:

- Fairer pay, working conditions and equality for all staff, including a fair pay rise and real living wage accreditation
- Outsourced Hotel and Conference park staff to be brought back in house—boycotteph.org.uk
- The serious problems with the New Core system to be fixed

And we have over 800 members on campus, with dedicated reps elected from amongst the staff to represent *your* views to the University.

Come along and find out about joining a union!
